Everyone, from all leagues, PLEASE READ THIS ENTIRE breakdown of things, if you do, you could miss out or Find your team name and read DOWNWARD.....college boys are baby blue, college gals are pink, n

The date of your event is on the far left in a YELLOW ROW, some of these games maybe on weekdays or sun

Games listed as "at" pretty much means you are the team travel or playing "at" ???

2 years ago, president Grunburg mentioned teams that are outside of a travel boundry would have an option of those are in a RED box. If the away team DOES NOT want to travel to the the home team, the away team can vermillion, sioux city or wayne or any other location. If this is the choice, the AWAY TEAM, just make the admi ref society on the change of location. Mr. Grunberg also voted to have a \$75 fee being paid by the away team Home team is responsible for REF payment however is NOT responsible for visiting team food or drink after th then just stick to the plan as in the schedule, if you want to cut down travel time, and make sure this game goe

Omaha town team women side, have not sent in any games yet with other women's clubs in the area or from Ia is wide open for anyone who wants to book games with them or have pay 3 teamers with an out of union team

Men's town team, hoping this can be worked out on the Oct. 15th weekend, and have Aberdeen travel to Sioux this would maybe be a SAT and Sunday gig. So if the 4 teams involved can kind of make your own schedule, i

Also for all in the town team men's league, you will see games scheduled with a new team call CARROLL, low they WILL NOT PLAY COMPETITIVE Games until next year. So.....if you are scheduled to play Carroll, plea any other teams and fill that carroll date, or simply use that as a week off. If carroll does come up with a stron and we will stay as planned on this schedule, and as a reminder they are 80% NOT going to fill a side as of rigl

Right now all games are listed as SAT except for these  
 Doane women and men double header as the home side playing on WED night Aug. 31st vs Wayne  
 Husker men as the home team on Friday Sept. 2nd vs Omaha Goats and Wayne  
 Husker women as the home team on Friday Sept. 2nd vs Wayne part of a Friday night triple header or triple-pc and the chance of the Aberdeen-Sioux City-Lincoln-Metro weekend of SAT and Sun on the Oct. 15th and 16th

What to do if you want more games? Simply call teams that have open weekends either in our union, or any ot

There were 3 requests sent out by the president and these dates you see here ARE 100% LOCKED DOWN. If BOTH teams want to move the date, sure that is fine, but if only 1 team wants to move the date, these dates

If you do know any retired players or rugby alumni not playing anymore, the union sure could use a few more to grab a whistle and be part of the great game of rugby. Easy math everyone, no refs.....no games...we all need

Special thanks to the new D-3 town team of METRO, or a new name coming shortly. This team is based in Orr, Aberdeen and Sioux Falls---your first game is a "friendly" and does NOT count on league standings at all, so your official cup match for standings will be the game AT Sioux Falls.

Also special thanks to the Fighting Eagles of Chadron St. women, and the men's team looking in 2012 who are the women's team is improving and now want some help with a few games so they can prove their roster and to USD and Augie when you play Chadron, we will look for a "meet in the middle" game, in Oneill, Nebraska, or a practice flat or something. Chadron is well aware that they have to travel this year, but they want us all aware to and play some rugby that they have for years with the colorado teams in the past.

**REMEMBER, Everyone MUST CALL IF YOU ARE THE HOME TEAM, and call your ref that you will have NO Call to the ref that you will be given, simply says....you do not have a game. The ref can make full plans for if you DO NOT CALL BY WED 9PM. If you get voice mail, make sure to give kick off times, how many game directions. When you call and get voice mail, make darn sure the next day you also call until there is a true PE No call by 9pm on WED will mean, tells the ref your game is no longer on that weekend.**

some very very important info. Thanks  
men town team is green, women town team is purple

days, so make sure you ready this entire draft.

NOT traveling the entire distance for that road game  
elect to "meet in the middle" somewhere, like  
administration efforts to "book" a field and contact the  
to the host site for paint on the fields, and clean up.  
the game. If the visting team wants to travel to the home team  
s off with strong numbers, look for a MID-POINT, at USD, Wayne, or Sioux City area.

owa, Missouri, or Kansas, so Omaha women's schedule

Sioux City and play the new Metro team and Lincoln  
in Sioux City that would be GREAT.

a. As of this time, Carroll is about 80% that  
ase feel free to call other states and unions for  
g 22 man roster by early sept, then game on  
ht now.

blooza

her club in the states around us

will stand.

efs, let us know if you have a person that can  
to start getting more involved to do ref duty. Thanks

haha with players from 19-25 years of age.  
play everyone and all rooks that day

e in a town team league in Wyoming-West S. Dakota  
be an official team in 2012 for cup play.  
insworth or Atkinson with a strong guess at a high school  
they are taking off their skirts to play in the dirt

**on game day by 9pm on WED.**  
or a weekend trip or any other activity  
**names, street address of the pitch and simple**  
PERSONAL exchange of information.
